## 2001 Cabernet Sauvignon

### Bella Oaks Vineyard

*Bella Oaks Lane, Rutherford, Napa Valley*

This wine is made from 100% Estate-Grown Cabernet Sauvignon.

The 2001 Cabernet is vermilion and dark purple like ripe Santa Rosa plums, with bright flavors of cherry and other black and red stone fruit gush from this opulent wine. The rich character that exudes from this medium-bodied wine finishes with a pleasing supple smoothness and polished tannins. While easily enjoyed now, the wine will continue to develop complexity and depth, much like the acclaimed 1997.
