A brand new exclusive micro production wine from Borderac Crus & Vins. Just 350 cases are made from the 1.5 hectares of Chateau Haut Bellevue, situated opposite the hallowed terroir of Chateau Poujeaux.

The consultant winemaker is Eric Boissenot of Pichon Comtesse and Leoville Las Cases fame. The Roses family who own the chateau are the winemakers behind another of our hugely successful exclusivities, Chateau Grand Tayac, appellation Margaux..

The Vineyard :

- Surface : 1.5 hectares

Grape Varieties :

- 50% Merlot
- 50% Cabernet Sauvignon

Harvest :

Ageing :

Ageing in 70% new oak barrels for 13 months

The first ever vintage of this wine it is evident from the technical information that it is extraordinary. A plantation density of twice that of a regular medoc property and yields of half that of many Grands Crus, this wine is one for those who look for something a little different.
