

Linda Domas
Boycat Merlot

90 Points International Wine Cellar

Bright violet. Pungent, spicy cherry and bitter chocolate on the nose, with vibrant mint and white pepper accents.

Firm and focused on the palate, with bright acidity providing grip to the cherry and rhubarb flavors, as well as a slightly stern note on the back.

There's impressive length here, the cherry tone taking a dark, liqueur-like turn on the finish. Hints of spice and warmth from alcohol give great length.

An excellent New World merlot—a rare bird indeed.

Drink with strong cheeses or game.
