

Our seductively rich, big, bold Dry Creek Valley Crazy Horse Zinfandel takes its' name from the family horse that bears many of the same qualities as this wine. Following many brave and wild rides, we felt this unharnessed beauty captured the true nature of Dry Creek Zinfandels. This wine has smooth and rich tannins with intense flavors of bright red fruit and opulent undertones of plum, spice and a touch of chocolate.

**2002 ZINFANDEL
