

Our 2002 Russian River Pinot Noir is one of the finest wines we have produced. It shows elegant flavors of plum, currant, vanilla cream and spice with generous floral notes. A true Russian River Pinot Noir climate allows this extraordinary vineyard to extend the hang time and allow the grapes to develop a richness that is unequalled. We hand craft this wine to create the right balance of sweetness and acidity that results in a rich, velvety wine.

2002 PINOT NOIR RUSSIAN RIVER VALLEY
