

Noah Vineyards

2000 ESTATE MERLOT Napa Valley

Produced from the Hopper Creek Vineyard in Yountville, this is our 2000 Estate Merlot. Yes, the Millennium Merlot was our second opportunity to work with this beautiful fruit of Hopper Creek Vineyard. This wine has a Ruby Garnet color with great clarity, and aromas of plum, peach, cherry and discreet oak nuances of vanilla and rose. Its firm structured tannins balance perfectly with the full fruit and oak. This wine is a fine companion for savory foods, as it captures the serious side of merlot's character. The nature of the Yountville appellation is also expressed with a pleasing mineral element. This merlot is both balanced and elegant!
