

# Noah

## 2001 Cabernet Sauvignon Private Reserve

**14.2 % alcohol.**

A very balanced and concentrated Cabernet Sauvignon, the dark ruby color of this wine is an indication of its richness. Aromas of cedar, cherry, raspberry, fine tobacco and vanilla predominate on the nose. This exceptional wine was aged in French Oak barrels, giving this medium-bodied Cabernet its smooth silkiness.

These grapes come from prime estate-owned Napa and Sonoma vineyards and are blended by master winemakers Noah Taylor and Alan Haywood (son of famed Peter Haywood, of Haywood Estates).

Noah Taylor is an award winning cellar master and former wine maker for Retzlaff Vineyards in Livermore, while Alan Haywood was with Haywood Estate Winery in Sonoma where his extensive background in winemaking, vineyard development, management and cellaring has made this partnership a dynamic combination.

Their combined experience has resulted in the creation of this Cabernet Sauvignon, which is another in a fine line of premium, boutique wines.
