

## TISSIER 2006 SANCERRE

### **Tasting:**

The 2006 Domaine Roland Tissier Sancerre is bright clear straw in color and mineral in a salty sense. Its aromas focused with a palate that is sharp and fresh. Good depth of flavors – with hints of apples, pears, citrus and chalk; plus a generous waxy texture. Given that this is a wine made in the absence of any oak influence, you do have to marvel at its' complexity.
