

Turner & Cole
'Poggio del Falco' (Hill of the Hawk)

This Super-Tuscan blend of Sangiovese, Merlot & Cabernet Sauvignon is rich, round and full-bodied. Dark fruits combine with earthy, forest aromas and flavors to offer an amazing mouthful of silky-texture. Farmed 100% organically with no added sulfites, the wine is crafted by Michele Barbiero of the Morazzano Estate, a Tuscan estate that competes with the likes of Sassicaia, Ornellaia and Tignanello.

Because of its unique blend, this wine works well with nearly all foods or by itself. The Sangiovese provides balance for food, the Cabernet adds body and structure as the Merlot smooths it all out! Pair this gorgeous wine with simple meals (pastas with red sauce or burgers on the grill) as well as rich, hearty peasant-style dishes (translate: comfort foods like Mom's meatloaf, gravy and mashed potatoes), rich cheeses and game. All of this is accomplished with a low alcohol level of only 11.5%, making it easy to enjoy a glass drink by itself after work!

This wine opens up with floral aromas of violets and potpourri after an hour of air contact. Decant it to enjoy the full experience!
