

Willowbrook
2004 Mendocino
Pinot Noir

This artisanal, super-low production wine is well-balanced, medium bodied and flavorful.

On the nose it expresses intense strawberry and dark cherry qualities, along with classic Burgundian Pinot Noir aromas of cigar box and hints of damp forest floor.

On the palate, the “Mendocino” offers more of the rich, red tones with an incredibly full texture, showing weight and body. This is a wine that impresses the most demanding pinot noir lover, while offering an experience of elegance and class to be enjoyed by all.

Alcohol: 14.2%
